Ordinances 2021

Ordinances

(Updated February 2021)

Our by laws have the safety of our residents and guests as our main priority. We hope not to have to resort to issuing fines for violations, as we hope residents and their members would follow our policies, whether they be in regard to parking, golf carts, scooters, alcohol on the beach, and other areas indicated in the ordinances described below.

SECTION 1 - GUIDELINES

1. All ordinances adopted or approved by the Miami Beach Association Board of Governors prior to November 1, 2020 inconsistent with these ordinances are hereby declared null and void.
2. These Ordinances are a combination of Association, Town and State Laws. Town of Old Lyme, State Laws, and ordinances contained in the Association charter, not explicitly mentioned here, will apply.
3. APPEALS
 - a) Any person(s) affected by any decision made by the Board of Governors regarding these ordinances may, within ten (10) days from said decision, appeal said decision to the Board of Governors by giving written notice (email or postal) to any member of the Board of Governors.
 - b) The Board of Governors of the Association may in a specific case after Public notice and hearing:
 - i. Decide the appeal where it is alleged there is error in any order, requirement or decision made as a result of said ordinances.
 - ii. Extend in any specific case the time that this ordinance shall take effect if they deem necessary for the proper administration of justice

SECTION 2 – PROPERTY RULES

1. No person or corporation shall use or cause to be used, rent, lease, or occupy for dwelling or living purposes, any garage or tent within the territorial limits of the Association. Exception: Overnight tents are allowed but no more than 1 tent per property for no longer than 48 hours.
2. Fences, bushes, or permanent structures cannot be placed within 2 feet of the Association property line. Property owners will cut shrubbery so as not to interfere with sight lines at any MBA intersection or be placed in a position which may cause a safety issue. MBA retains the right to permit use or discontinue use within the Right-of-Way area. (Note: the MBA owns a minimum of 10 feet of the area from the edge of the pavement into the property).
3. A fabric structure (e.g., garage tent), if not specifically being used for motor vehicles or special functions for a 1-time event, are not allowed within the MBA boundaries.
4. No clothesline may be erected in the front yard (i.e., the front door side) of any residence in the Association.
5. No person(s) shall post bills, placards or advertisements on any building, walls, fence, post or vacant lot, except “for rent” or “for sale” signs. Such signs shall be limited to one sign per property and shall not exceed four (4) square feet in area. Election signs are exempt.
6. All buildings in the Association area shall conform to the State of Connecticut and Town of Old Lyme building code.
7. From Memorial Day to Labor Day contracted commercial lawn services can start no earlier than 9:00

Ordinances 2021

am and must be completed by 5:00 pm Monday through Thursday and Friday from 9:00 am – 3:00 pm.

8. Grass clippings and leaves must be properly disposed of per the ordinances of the town and are not to be blown onto the streets where they have the potential to collect and clog street drainage systems which contributes to flooding. Additionally, disposing of grass clippings, cuttings, brush, garbage or any other type of discarded material onto vacant or neighboring lots is prohibited.
9. No person shall deposit household trash, building material, yard waste or any other unwanted items on the street, vacant lot, beach area or any other area owned by the Association.
10. No person(s) shall leave any rubbish or garbage so exposed to the elements as to make said rubbish or garbage obnoxious or a menace to the public health. All rubbish and garbage must be placed in a Town of Old Lyme regulation container. Garbage containers must be moved off the street within 48 hours after pickup.
11. No person(s) shall allow the improper storage or accumulation of any material that may present a fire hazard (e.g., any flammable material) to the Association property or any private residence in the territorial limits of the Association.
12. All recycle must be placed in appropriate containers as required by the Town of Old Lyme. Corrugated cardboard must be broken down and flattened. Recycle containers must be moved off the street within 48 hours after pick-up. (Note: Green containers are recycle and Blue containers are trash).
13. Property owners along Swan Brook are responsible for keeping their section of the waterway free of debris (e.g., branches, brush, grass clippings, or any other item that obstructs the flow of the brook) in order to reduce the risk of flooding. Failure to abide by this ordinance may result in a clean-up fee up to \$500 if the Board is forced to take action.
14. Hammer Law – With the exception of emergency repairs, Miami Beach Association property owners are prohibited from carrying out any major construction activities on property within the boundaries of the Association beginning on Friday at 5:00 pm, Saturday and Sundays, beginning July 1 of each year and ending the day after Labor Day of each year. On all other days between July 1 and Labor Day, major construction activities on property within the boundaries of the Association can begin no earlier than 9:00 am and end by 5:00 pm. Examples of major construction activities include but are not limited to:
 - a) Addition to a house
 - b) Demolition of a house or supporting structure
 - c) Installation of foundations
 - d) Installation of new septic systems
 - e) Outside work that involves the use of power equipment such as concrete and stone cutting saws, nail guns, jackhammers, backhoes, bulldozers, bobcats and the like
 - f) Re-roofing or roof replacement

Violators are liable for a fine as described under List of Fines if the violation continues.

(Note: Emergency repairs (such as storm damage, accidents, fires, or other unplanned activity) must be communicated to the Board of Governors via an email or through the **Contact Us** page of our website as soon as possible

Ordinances 2021

15. Water Discharge – With permission from the Board of Governors, and once new storm drains have been installed, Miami Beach property owners are permitted to directly discharge water from sump pumps into Miami Beach Association road storm drains. Currently, water directed onto the owners own property before reaching the road is permitted. Extenuating circumstances will be handled on a case-by-case basis.
16. The Board of Governor is authorized to notify in writing the owner(s) of property in the Association’s territory of any dangerous, unsafe or hazardous condition that may be discovered on the property of said person(s). If the condition reported is not corrected or remedied to reasonable satisfaction of said Board of Governors within ten (10) days of said notice, then said Board is authorized to take the necessary steps to remedy said condition and any and all expenses incurred shall be the responsibility of said owner(s) including an administrative fee not to exceed 20% of the total expense.
17. No property owner or contractor may cut into Association roads or other property without the express written permission of the Board of Governors. All cuts into the road must be patched by an approved contractor and will be overseen by the Board. Failure to contact the Board of Governors in writing prior to any work being started shall result in a fine as described under our List of Fines.
18. Property owners will be held liable for any damage to MBA-owned property incurred by family members, guests, contractors or renters. This includes but not limited to roads, gates, and Association owned structures. The cost of repairs will be the full responsibility of the property owner.
19. Any property owner hiring an outside contractor to perform excavation work within the boundaries of the MBA must contact the Board of Governors before any work is started since insurance requirements be met along with any MBA encroachment requirements.
20. Discharge of hazardous wastewater and materials onto streets, beach area, abutting property or Association property is prohibited and subject to Federal, State of CT Department of Energy & Environmental Protection (DEEP) and Town of Old Lyme rules and regulations.
21. Home Maintenance
 - a) A property is considered not maintained if the town of Old Lyme Fire Chief or Health Director determines that its condition threatens life or puts the health or safety of the Association residents at risk.
 - b) It is also considered not maintained if, as determined by the Board of Governors, it:
 - i. is not being adequately maintained, e.g., it has missing or boarded windows or doors, visible vandalism or graffiti, peeling paint or exposed wood, or overgrown lawn and weeds.
 - ii. has uncorrected building or health code violations
 - iii. has become a place where criminal activity has taken place as documented by the Police department
 - iv. is a factor that is seriously depreciating property values in the neighborhood
 - v. Contains unauthorized outside storage, accumulation of trash of any kind, or parking for inoperable vehicles, boats or other inoperable machinery on the property or the public right of way.
